

Project Sleep's SLEEP IN 2018 Participant Guide

*We can't wait to SLEEP IN with you!
This guide will prepare you to participate.*

What is the Sleep In 2018?

On the weekend of March 9 - 11, 2018, Project Sleep invites you to join the fourth annual international Sleep In (#SleepIn2018) to raise awareness about sleep health and sleep and circadian conditions during National Sleep Foundation's annual Sleep Awareness Week (March 11 – 17, 2018). Register at <https://projectsleep.salsalabs.org/sleepin2018> and challenge yourself to stay in bed for 12-48 hours. Ask your friends and family to join or sponsor you to benefit Project Sleep.

Why participate?

Are you sleep-walking through life? Nearly 70 percent of adults report insufficient sleep or rest at least once a month. Almost 70 percent of high school adolescents are not getting enough sleep. An estimated 50 to 70 million Americans chronically suffer from sleep or circadian disorders.

Sleep is the misunderstood and often-overlooked pillar of health. **Sleepiness is NOT laziness.** By participating in Project Sleep's Sleep In, we are waking up the world to the importance and power of sleep.

Who can participate?

Calling on sleep-loving humans *and* pets! Whether you are sleepy teen, person with a sleep disorder, supporter, sleep professional, or sleep enthusiast – your Sleep In matters. Use your voice, and your bed, to shine light on the night.

What does it cost?

It's FREE to register at <https://projectsleep.salsalabs.org/sleepin2018>, however **we encourage you to make the first donation** on your fundraising page to inspire your supporters. Once your fundraising page is set up, email your friends and family to challenge them to participate or donate. Sample fundraising message on page 7.

What will I do in bed all day?

Make posters, invite friends and the local media to join you, post photos (#SleepIn2018 @Project_Sleep), join our twitter & video events, take a nap, do yoga, read a book. Take another nap. Rest, relax and have fun!

Project Sleep will be in bed all weekend, flooding social media and connecting with participants around the world via Facebook, Twitter, Instagram and video events. Plus, **DJ Fe** will close out the weekend with the **REM Dance Party** on Sunday!

Sleep In 2018 - Schedule of Events:

Can I get out of bed?

Yes, of course, please get out of bed to eat, stretch, use the restroom, etc. Have fun incorporating the Sleep In theme into your weekend in a way that makes sense for you, your health and your family's schedule. This is supposed to be a fun opportunity to reflect on sleep, not a health hazard or prison sentence. ☺

How long should I participate in the Sleep In?

Saturday or Sunday?

On Saturday March 10th, Sleep In to celebrate Narcolepsy Day/“Suddenly Sleepy Saturday”. Or join us on Sunday March 11th - after losing an hour of sleep due to daylight savings time change.

Exclusive REM Dance Party:

On Sunday, March 11th at 5:00 p.m. ET, Project Sleep will broadcast the REM Dance Party with DJ Fe via Facebook Live for Sleep In participants.

DJ Fe is one of the hottest DJ's out of the Hudson Valley, New York area and a person with narcolepsy. She was diagnosed with the disorder in 2013 and as a result, was forced to retire from both her military career & civilian career as an automotive technician. This led her back to her first love & hobby, music. Fe has always loved music & since a young age has been mixing and blending all styles and genres.

After her diagnosis, she decided to give DJing a try as a career. The nighttime, short hours & energetic environment, along with her love of music, all seem to work well for her while living with narcolepsy. Fe first got involved with Project Sleep's Sleep In two years ago and is excited to be the featured performance for Sleep In 2018!

Some people run or walk to raise funds, but why not receive support and encouragement to Sleep In? Funds raised support Project Sleep, a 501(c)(3) nonprofit organization dedicated to raising awareness about sleep health and sleep disorders. See sample fundraising message on pg. 7.

What do the funds support?

Funds raised will provide critical support for Project Sleep's current programming (including the Jack & Julie Narcolepsy Scholarship, Rising Voices of Narcolepsy leadership program and the NARCOLEPSY: NOT ALONE campaign) and help us to expand our efforts in the future to reach even more sleepy people. Project Sleep is a small non-profit, so your support make a huge impact. *Thank you!*

Who hosts the Sleep In 2018?

Project Sleep is the 501(c)(3) non-profit organization organizing and hosting the third annual Sleep In 2018 as an international sleep awareness and fundraising event. By inviting participants to stay in bed, this event offers a relaxing and restorative alternative to events that require expending precious energy. Connecting people via twitter and video chats, Sleep In 2018 aims to empower sleep advocates across the globe.
