

Sleep Focus Group Participants Needed!

Focus groups will fill the gap in knowledge of how sleep disorders affect Black Americans

Focus groups moderated by Dr. Robert W. Turner II

We are looking for Black American adults

- \$100 Compensation
- Participants will attend one 90-minute online focus group meeting via Zoom
- We are looking for 6 to 8 Black American adults who:
 - Have a diagnosed sleep disorder
 - Have sleep issues that have not been diagnosed
 - Are family members of someone with a diagnosed sleep disorder
 - Do not have issues with sleep
