

Project Sleep cordially invites you to attend:

Awakening America: A Congressional Briefing on Sleep and Public Health

— ● —
Tuesday, July 16th, 2024

12:00 PM - 12:45 PM (Eastern)

Room 2075, Rayburn House Office Building

A hot lunch buffet will be provided

Speakers Include:

- Dr. Michael Grandner, University of Arizona
- Dr. Kali Cyrus, Patient Advocate
- Julie Flygare, JD, President & CEO, Project Sleep

Please join the sleep community for a briefing on recent advancements and emerging opportunities to improve sleep via public health. This event will cover new resources and tools now available to constituents nationwide. This briefing will also discuss gaps in early detection and diagnosis for the one in five Americans living with sleep disorders, along with legislative recommendations and updates on federal programs.

[This event complies with the widely-attended event exception]

Please RSVP to Lindsay Scola: lindsay@lindsayscola.com

Project Sleep is a 501(c)(3) non-profit organization dedicated to raising awareness about sleep health, sleep equity, and sleep disorders.
